INSTALLATION of the CASE COTTON PICKER 1/2" POLY HEIGHT SENSING SHOE

PLEASE REFER TO THE OPERATORS MANUAL FOR YOUR SPECIFIC PICKER FOR PERTINENT SAFETY PRECAUTIONS

THE TERMS "LEFT", "RIGHT", "FRONT", and "REAR" ARE DETERMINED BY FACING IN THE DIRECTION THE PICKER WILL TRAVEL WHEN IN USE.

RIGHT HAND SHOWN

Confirm that bottom surface of Poly shoe is parallel with ground...

...adjust metal mounting bracket if necessary.

Replacement Poly shoe can be installed without removing lifter body or mounting bracket.
